A Word From Pastor Jim

Imagine a church who makes engagement in the world more important than Sunday morning worship...whose leaders lead for the sole benefit of those being led...who consistently seeks to submit to one another, because that's what Jesus did for them...who becomes holy by caring for the lost and broken in our communities. Imagine...the Church of Jesus!

~Pastor Jim

Weekly Study Guide

Do you tend to define the word “church” as a “house of God” or an “assembly of people”? Write about the people, places, and events that have shaped your definition (good or otherwise) of “church”.

Read **1 Corinthians 12:12-27**. Why does Paul describe Jesus’ Church as a “body”? What part of the body are you?

Read **Galatians 5:2-6**. It’s been said that church is not about you; it is about the you beside you. Do you agree or disagree...and why?

Read **Luke 22:24-27**. According to Jesus, what is the role of a leader?

Read **Ephesians 5:21-25**. To whom do you have a hard time submitting...and why? What does Paul say to wives? ...to husbands?

Read **John 1:1-14**. According to John, where does God live...and why does God live there?

Daily Prayer: God, help me play a role in making your Church...my church...both compelling and inviting for others. Amen.

Altar Flowers

On Father's Day we will gather to worship and praise our Heavenly Father. As we do so, may the altar flowers be a visible remembrance of those earthly men who, through their love and encouragement, have led us on our Christian journeys.

God took the strength of a mountain,
The majesty of a tree,
The warmth of a summer sun,
The calm of a quiet sea,
The generous soul of nature,
The comforting arm of night,
The wisdom of the ages,
The power of the eagle's flight,
The joy of a morning spring,
The faith of a mustard seed,
The patience of eternity,
The depth of a family need,
Then God combined these qualities,
When there was nothing more to add,
He knew His masterpiece was complete,
And so, He called it... Dad

Volunteers Needed

We have exciting news about our audio/video system at Sedgefield Church. This week we began installing cameras and a new controller that will allow us to improve our live feed for Sunday services. The new equipment means we will no longer require the laptop on the lectern at the front of the sanctuary. The end result will be both streaming quality and a cleaner look in the chancel area.

All of the audio and video components that are an essential part of our in-person and streaming service require operators. Currently we have several volunteers doing this, but we need more.

Please contact Frank Fields at fofields57@gmail.com or text to 704-577-9180 if you have an interest in becoming part of the A/V team.

Summer Fun Wednesday

Our kids had a blast creating Face Pots at our first Summer Fun Day on Wednesday, June 16th. Mr. Rick from Arts Delivered took everyone's pot to be fired in his kiln. We will complete this project by painting our pots at our next Summer Fun Day on Wednesday, June 23, from 10:00 – Noon. Please invite any neighbors or friends with kids, ages 3 and up, to our Summer Fun Days. We will have other art activities for kids that were unable to make a face pot. I look forward to seeing the kids and parents next week. Optional: Kids may bring a lunch and enjoy eating under our shade trees with their friends at 11:30.

Blessings!
